**LBS INSTITUTE
OF TECHNOLOGY FOR WOMEN**
(A Government of Kerala Undertaking)

Approved by AICTE & Affiliated to APJ Abdul Kalam Technological University

LBS Institute of Technology for Women (LBSITW) Poojappura, established in 2001 is the only Women Engineering College in the State under Government of Kerala. Honourable Chief Minister of Kerala is the Chairman of LBS Centre and Minister for Higher Education is the Vice Chairperson. The Institute has excellent academic records and has been accredited by NBA for all UG programs. The College has bagged six patents in the field of Technology.

The Institute has ranked in 4th position in 2024 B.Tech. Results of APJ Abdul Kalam Technological University. LBSITW has gained international recognition by launching WESAT-women only satellite on 1st January 2024 in association with ISRO. The satellite was completely designed by the students of LBSITW Space Club and became the first institution in Kerala and only women institute both nationally and internationally to accomplish this milestone.

The College is running five UG programs in Computer Science & Engineering, Electronics and Communication Engineering, Civil Engineering, Information Technology and Electronics & Computer Engineering and two PG programs. The Induction program of 2024 -28 batch is scheduled on 9th September 2024 at Main Seminar hall. All are requested to grace the occasion.

Dr. Smithamol M. B.
Principal
